

Tuesday, July 13: Traffic Safety Workshop

2pm–3pm Presented by: Omar Barrios (NYC DOT)

THIS PRESENTATION:

- Outlines risks and safety tips for parents to share with their children as pedestrians, bicyclists and vehicle passengers
- Engages with parents to discuss real life scenarios and builds awareness about traffic safety issues in the neighborhood
- •Helps prevent future incidents by presenting simple steps to making safer choices

Tuesday, July 20: Water Safety Workshop

2pm–3pm Presented by: Griselle Baret (DOS)

THIS PRESENTATION:

Join the Division of Consumer Protection and learn about keeping cool and safe in the summertime. As pools and beaches open up, it's important to keep loved ones safe. Children's drowning deaths occur the most in the summer months, and over 70% happen to children under age 5. Learn the basic tips and where to find resources for effective pool and water safety.

Tuesday, July 27: Sun Safety Workshop

2pm–3pm Presented by: Brandy-Courtney Williams (EBCBS /Health Plus)

THIS PRESENTATION:

Empire wants to increase parents' knowledge and awareness on how to keep their kids safe and happy during the summer. This would reinforce kids' knowledge about how to stay safe and sound while enjoying the summer as well! We will provide tips and safety precautions to maintain their children's outdoor health.
